

Cluster Coordinator Position Description

The Role

The Cluster Coordinator is responsible for the delivery of SV's grassroots participation programs for an identified regional/geographic cluster.

Key Accountabilities

The Cluster Coordinator will:

- Work with each Member Association within their cluster to ensure they are fully engaged with the program
- Ensure all coaches within the cluster are aware of the program and have the ability to contribute fully
- Identify suitable MA's to host program activities, ensuring all MA's have access to the program
- Assist with the recruitment of coaches and past players to deliver the program
- Identify suitable opportunities for MA's to provide input and feedback into the program design
- Provide recommendations to the Participation Development Committee for the design and delivery of the program

Attributes

The Cluster Coordinator will have:-

- Experience in coaching juniors
- Experience working with coaches from a diverse background and with a broad range of skills
- Established network of coaches and access to past players
- Strong interpersonal communication skills
- Not be appointed to a position on a representative team or be intending to apply for a position
