The Essence of Australian Sport

In Australia, sport is a positive influence that enriches the lives of everyone involved. It plays a major role in shaping the Australian identity and culture and therefore we must ensure that sport is based on ethical principles.

The Essence of Australian Sport defines the core principles of sport in Australia. By applying these principles to all roles and decisions, the values and benefits sport has to offer can be realised.

Sport at all levels in Australia upholds the principles of:

FAIRNESS

Operating within the spirit of the rules, never taking an unfair advantage, and making informed and honourable decisions all of the time.

RESPECT

Recognising the contribution all people in sport make, treating people with dignity and consideration, and taking care of sport property and equipment.

RESPONSIBILITY

Taking responsibility for one's actions and being a positive role model.

SAFETY

Encouraging healthy and safe choices, preventing and reporting dangerous behaviour and demonstrating concern for others.

By applying the principles, sport helps develop the virtues and personal characteristics of: Compassion, Determination, Integrity, Loyalty, Trust

By applying the principles, sport helps achieve the outcomes of: Achievement, Enjoyment, Friendship, Inclusiveness, Opportunity, Teamwork, Well Being

All Australians involved or interested in sport should embrace these principles and instil these values. This is the essence of Australian sport - this is what we stand for.
