Preface

Softball Victoria's Member Protection Policy is an essential tool in the organisation's risk management strategy. The Policy has been developed in conjunction with the ASC and SV as a resource for the protection of our members, including:

- associations and clubs
- individuals, including players, administrators, coaches and officials

Member protection involves:

- protecting members from harassment, discrimination, vilification, abuse and other forms of inappropriate behaviour
- ensuring the right people are involved in our organisation and in the sport

The safety and well-being of every member in the Victorian softball community is integral to the future of our sport. We need to have practices and procedures that create safe, welcoming and enjoyable environments.

We must meet legislative requirements, such as anti-discrimination and child protection laws, identify the potential for any incidents relating to harassment and abuse of our members and develop strategies to reduce the likelihood or severity of its occurrence.

The cooperation of Member States, associations and clubs to effectively communicate and implement this Policy across all members is critical. Softball Victoria takes all matters in relation to member protection seriously and will educate, enforce and assist with its delivery and implementation.

Chief Executive Officer
Softball Victoria
June 2010

Part A – Member Protection Policy

1 Purpose of this Policy

- 1.1 This Member Protection Policy (**Policy**) aims to ensure ethical and informed decision-making and responsible behaviour within our sport. It outlines Softball Victoria's commitment to a person's right to be treated with respect and dignity and to be safe and protected from abuse.
- 1.2 This Policy informs everyone involved in softball of their legal and ethical rights, responsibilities and required standards of behaviour. It provides guidelines for all Softball Victoria members and those who participate in the activities of Softball Australia, our affiliated associations and clubs.
- 1.3 The Policy attachments outline the procedures that support our commitment to eliminating discrimination, harassment, child abuse and other forms of inappropriate behaviour from our sport. As part of this commitment, Softball Victoria will take disciplinary action against any person or organisation bound by this Policy who is in breach of this Policy.
- 1.4 This Policy, which has been endorsed by the Softball Victoria Board Members, commenced on 30 January 2006 and will operate until replaced. This Policy and/or its attachments may be amended from time to time by resolution of the Softball Victoria Board.
- 1.5 The Policy is available on the Softball Victoria website at www.victoria.softball.org.au.
- 1.6 For information on the rights, responsibilities and requirements for people involved in our sport at the local level please refer to the member protection policies of the relevant affiliated association or club.

2 Policy application

- 2.1 This Policy applies to the following organisations and individuals, whether they are in a paid or unpaid voluntary capacity:
 - affiliated associations and clubs
 - persons appointed or elected to boards, committees and sub-committees of Softball Victoria and affiliated associations and clubs
 - employees of Softball Victoria and affiliated associations and clubs
 - officials appointed or elected by Softball Victoria and affiliated associations and clubs, including:
 - team management personnel such as managers and physiotherapists

- any other person or organisation who or which is a member of or affiliated with Softball Victoria and affiliated associations and clubs
- any other person or organisation, such as a parent/guardian, spectator or sponsor who agrees in writing or otherwise (whether on a ticket, entry form, etc) to be bound by this Policy

2.2 Affiliated Associations and clubs are required to adopt and implement this Policy and to provide proof to Softball Victoria of the approval of the policy by their Board in accordance with its constitution. Associations must also undertake to ensure that affiliated clubs and individual members are made aware of and are bound by this Policy.

2.3 If disciplinary action against an individual has commenced, this Policy will continue to apply, even after the individual has stopped their association or employment with Softball Victoria.

3 Responsibilities of the organisation

3.1 Softball Victoria and affiliated associations and clubs must:

- adopt, implement and comply with this Policy
- make such amendments to their Constitution, rules or policies necessary for this Policy to be enforceable
- publish, distribute and promote this Policy and the consequences of breaches
- promote and model appropriate standards of behaviour at all times

- ensure that a copy of this Policy is available or accessible to the persons and organisations to whom this Policy applies
- use appropriately trained people to receive and manage complaints and allegations and display the names and contact details in a way that is readily accessible
- monitor and review this Policy at least annually

4 Individual responsibilities

4.1 Individuals bound by this Policy are responsible for:

- making themselves aware of the Policy and complying with the standards of behaviour
- complying with our screening requirements and Victorian Working with Children checks
- placing the safety and welfare of children above other considerations
- being accountable for their behaviour
- following the procedures outlined in this Policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment or other inappropriate behaviour
- complying with any decisions and/or disciplinary measures imposed under this Policy

5 Policy position statements

Child protection policy

5.1 Softball Victoria acknowledges that our staff, members and volunteers make a valuable contribution to the positive experiences of children involved in our sport. Softball Victoria aims to continue this and to take measures to protect the safety and welfare of children participating in our sport by:

- prohibiting any form of abuse against children
- ensuring people have completed a satisfactory Working with Children Check as required by law.
- providing opportunities for our junior members to contribute to and provide feedback on our programs
- carefully selecting and screening people over the age of 16 years who work with, coach or have regular unsupervised contact with children
- promoting and enforcing our codes of behaviour, particularly for roles associated with children

- responding to all reports and complaints of abuse promptly, seriously and confidentially
- making information about child protection available, particularly for roles associated with children
- adopting practices that reduce risks and provide the greatest opportunity for ensuring a child safe environment

5.2 Anyone who reasonably suspects that a child has been or is being abused by someone within our sport, must report their suspicions immediately to the police or relevant government agency, the designated Member Protection Information Officer (MPIO) and Association or Softball Victoria CEO.

5.3 Descriptions of the types of activity that may be abuse are defined in clause 9. If anyone suspects that a child is being abused by their parent/s, they are advised to contact the relevant government department for youth, family and community services in their area.

5.4 A person will not be victimised for reporting possible child abuse and the privacy of all persons concerned will be respected. Our procedures for handling allegations of child abuse are outlined in Attachment D4.

Images of children

5.5 Images of children cannot be used inappropriately or illegally. Softball Victoria requires that individuals and organisations, wherever possible, obtain permission from a child's parent or guardian before taking an image of a child who is not their own and ensure that the parent or guardian knows how the image will be used.

5.6 We also require the privacy of others to be respected and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

5.7 If Softball Victoria uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent or guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by paedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport.

5.8 We require our affiliated associations and clubs to do likewise.

Anti-discrimination and harassment policy

5.9 Softball Victoria opposes all forms of harassment, discrimination and bullying. This includes:

- treating or proposing to treat someone less favourably because of a particular characteristic

- imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic
- any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers

5.10 Harassment, discrimination and bullying based on personal characteristics such as those listed in clause 9 are illegal.

5.11 If any person feels they are being harassed or discriminated against by another person or organisation bound by this Policy, they should follow the complaints procedure outlined in Attachment D1 of this Policy. This will explain what to do about the behaviour and how Softball Victoria will deal with the problem.

Sexual relationships policy

5.12 Softball Victoria takes the position that sexual relationships between coaches and the adult athletes that they coach should be avoided. We take the view that such relationships, while not necessarily constituting unlawful harassment, can have harmful effects on the individual athlete involved, on other athletes and coaches and on the sport's public image. Such relationships tend to be intentionally or unintentionally exploitative because there is usually a disparity between coaches and athletes in terms of authority, power, maturity, status and dependence.

5.13 Softball Victoria's policy position is similar to other organisations who disallow professionals such as teachers, doctors and counsellors to have sexual relationships with their clients or students. Should a sexual relationship develop between an athlete and coach, Softball Victoria will consider whether any action is necessary. Factors that may be relevant in this consideration are the age and maturity of the athlete relative to the coach, the financial or emotional dependence of the athlete on the coach, and the likelihood of the relationship having any adverse impact on the athlete and/or other athletes. If it is determined that the sexual relationship is inappropriate, action may be taken to stop the coaching relationship with the athlete. Action may include transfer, a request for resignation or dismissal from coaching duties.

5.14 Given there is always a risk that the relative power of the coach has been a factor in the development of such relationships, they should be avoided by coaches at all levels. In the event that a player attempts to initiate an intimate relationship, the coach must take personal responsibility for discouraging such approaches, explaining the ethical basis for such actions.

5.15 The coach or player may wish to approach the Softball Victoria's MPIO or complaints officer or other designated person if they feel harassed. Our complaints procedure is outlined in Attachment D1 of this Policy.

5.16 The law is always the minimum standard for behaviour within Softball Victoria.

5.17 Some examples of what may be considered sexual harassment may include:

- uninvited touching, kissing, embracing, massaging

- staring, leering, ogling
- smutty jokes and comments
- persistent or intrusive questions about people's private lives
- repeated invitations to go out, especially after prior refusal
- the use of promises or threats to coerce someone into sexual activity
- the display of sexually explicit material eg Internet use, computer screen savers, calendars, posters
- getting undressed in front of others of the opposite sex
- invading the privacy of others while showering or toileting
- photographing others while undressing, showering or toileting

5.18 Sexual harassment is often, but need not involve, behaviour which:

- involves blackmail, in that the harassment is accompanied by a direct or implied threat, promise or benefit. For example, a coach who implies that a player's selection to a team is dependent on compliance with a sexual proposition
- creates a hostile or sexually permeated environment, in that the harassment consists of crude remarks, jokes, and the display of offensive material or makes the environment uncomfortable

5.19 Sexual harassment may be a criminal offence, for example indecent assault, rape, obscene telephone calls or letters. If you believe that a criminal offence may have been committed you should seek advice from the relevant authority that administers the relevant law (eg the Anti-Discrimination Board in NSW) or legal advice and/or notify the police. You can do this without divulging the name or identity of the complainant.

5.20 Sexual behaviour of any kind between an adult and a minor must be reported to the appropriate authorities. Sex with a child is a criminal offence.

5.21 Racial harassment includes harassment based on colour, descent, national or ethnic origin, cultural activity and religion.

5.22 Examples of racial harassment include:

- jokes in which race is a significant characteristic of the joke
- hostile comments about dietary, dress, religious or cultural practices
- inferences that all members of a racial or cultural group have particular negative characteristics, such as laziness, drunkenness, greed or sexual promiscuity
- parodying accents

5.23 Sexual harassment includes harassment based on actual or assumed homosexuality, heterosexuality, bi-sexuality or trans-sexuality.

5.24 Examples of sexual harassment include:

- jokes in which sexuality is a significant characteristic of the joke
- hostile comments about assumed sexual practices or social activities

5.25 In severe cases, such as threats or acts of violence against a homosexual person, sexual harassment may be a criminal offence. If you believe that a criminal offence may have been committed you should seek advice from the relevant state or territory authority that administers the relevant law (eg the Anti-Discrimination Board in NSW) or legal advice and/or notify the police. You can do this without divulging the name or identity of the complainant.

5.26 Disability harassment includes harassment based on physical, mental or psychological disability or harassment of an associate or aide of a person with a disability. Disability is defined in many ways and includes the presence in the body of an organism, such as HIV or hepatitis that may cause disease.

5.27 Examples of disability harassment include:

- jokes where a particular disability is a significant characteristic of the joke
- interfering with a disability aid eg a hearing aid or seeing eye dog
- obstructing a person in a manner that compounds his or her disability eg putting obstacles in the path of a person with a vision impairment
- mocking a person's disability
- hostility based on assumed AIDS or HIV infection

5.28 Abuse may be a form of harassment. It includes:

- physical abuse eg assault
- emotional abuse eg blackmail, repeated requests or demands, excluding someone or 'bastardisation' practices
- neglect eg failure to provide the basic physical and emotional necessities of life
- abuse of power, which the harasser holds over the harassed. Power disparity might include a coach–player, manager–player, employer–employee and doctor–patient. People in such positions of power need to be particularly wary not to exploit that power

5.29 Examples of abusive behaviour include:

- bullying and humiliation of players by coaches

- verbal abuse and insults directed by players or parents at opposing participants
- verbal and/or physical abuse of umpires by players and coaches

5.30 If any person feels they are being harassed or discriminated against by another person or organisation bound by this Policy, please refer to our complaints procedure outlined in Attachment D1 of this Policy. This will explain what to do about the behaviour and how Softball Australia will deal with the problem.

Pregnancy

- 5.31 Softball Victoria is committed to providing an inclusive sporting environment for pregnant women involved in its activities.
- 5.32 Softball Victoria expects everyone bound by this Policy to treat pregnant women with dignity and respect and to remove any unreasonable barriers to participation in our sport that disadvantage them. We will not tolerate any unlawful discrimination or harassment against pregnant women.
- 5.33 Descriptions of some of the types of behaviour which could be regarded as pregnancy discrimination or harassment are provided in clause 9.
- 5.34 If any person feels they are being harassed or discriminated against by another person or organisation bound by this Policy, please refer to our complaints procedure outlined in Attachment D1 of this Policy. This will explain what to do about the behaviour and how Softball Australia will deal with the problem.
- 5.35 While many sporting activities are safe for pregnant women to participate in, there may be particular risks that apply to some women during pregnancy. Those risks will depend on the nature of the particular sporting activity and the particular pregnant woman's circumstances.
- 5.36 Softball Victoria will take reasonable care to ensure the safety, health and wellbeing of pregnant women and their unborn children. We will advise pregnant women that there may be risks involved, and encourage them to obtain medical advice about those risks. Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, are of utmost importance in their decision making about the extent and manner in which they participate in our sport.
- 5.37 Softball Victoria recommends that pregnant women wanting to participate in our sport consult with their medical advisers, ensure they are aware of the facts about pregnancy in sport and ensure that they make informed decisions about participation in particular sporting activities. We will only require pregnant women to sign a disclaimer if we require other participants to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

Gender identity

- 5.38 Softball Victoria is committed to providing an inclusive sporting environment where transgender or transsexual people involved in its activities are able to contribute and participate. Softball Victoria expects everyone who is bound by this Policy to treat people who identify as transgender or transsexual fairly and with dignity and respect. This includes acting with sensitivity and respect where a person is undergoing gender

transition. We will not tolerate any unlawful discrimination or harassment against a person who identifies as transgender or transsexual or who is thought to be transgender or transsexual.

- 5.39 Descriptions of some of the types of behaviour which could be regarded as transgender or transsexual discrimination or harassment are provided in clause 9.
- 5.40 If any person feels they are being harassed or discriminated against by another person or organisation bound by this Policy, please refer to our complaints procedure outlined in Attachment D1 of this Policy. This will explain what to do about the behaviour and how Softball Victoria will deal with the problem.
- 5.41 Softball Victoria recognises that the exclusion of transgender or transsexual people from participation in sporting events has significant implications for their health, well-being and involvement in community life. In general Softball Victoria will support transgender or transsexual persons participating in our sport of the sex with which they identify.
- 5.42 Softball Victoria also recognises there is debate over whether a male to female transgender person obtains any physical advantage over other female participants. This debate is reflected in the divergent discrimination laws across the country. If issues of performance advantage arise, Softball Victoria will seek advice on the application of those laws in the particular circumstances.
- 5.43 Softball Victoria is aware that the International Olympic Committee (IOC) has established criteria for selection and participation in the Olympic Games. Where a transgender or transsexual person intends competing at an elite level, we will encourage them to obtain advice about the IOC's criteria which may differ from the position taken by Softball Victoria.
- 5.44 Drug testing procedures and prohibitions also apply to people who identify as transgender or transsexual. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

6 Complaints procedures

Complaints

- 6.1 Softball Victoria aims to provide an easy to use, confidential and trustworthy procedure for complaints based on the principles of natural justice. Any person (the complainant) may report a complaint about a person/s or organisation bound by this Policy if they reasonably believe that a person/s or organisation has breached this Policy. A complaint should be reported to the MPIO, and Softball Victoria CEO.
- 6.2 The lowest level at which a matter can be dealt with in the first instance is preferred. Therefore, if a complaint relates to behaviour or an incident that occurred at the:
- association or club level, then the complaint should be reported to and handled by the relevant association or club in the first instance
- 6.3 Only matters that relate to or occur at the State level and the most serious cases from state, association or club level should be referred to Softball Victoria.

- 6.4 A complaint may be dealt with informally or formally. The complainant usually decides this unless the MPIO and CEO considers that the complaint falls outside this Policy and would be better dealt with another way and/or the law requires the complaint or allegation to be reported to an appropriate authority.
- 6.5 All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our complaint procedures are outlined in Attachment D1.
- 6.6 Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection, criminal or other relevant legislation.

Vexatious complaints & victimisation

- 6.7 Softball Victoria aims to ensure our complaints procedure has integrity and is free of unfair repercussions or victimisation. If at any point in the complaint process the MPIO and CEO considers that a complainant has knowingly made an untrue complaint or the complaint is vexatious or malicious, the matter may be referred to the state hearing Tribunal for appropriate action, which may include disciplinary action against the complainant.
- 6.8 Softball Victoria will also take all necessary steps to make sure that people involved in a complaint are not victimised for coming forward with a complaint or for assisting to resolve any issue. Disciplinary measures will be imposed on anyone who victimises another person for making a complaint.

Mediation

- 6.9 Softball Victoria aims to resolve complaints with the minimum of fuss. Complaints may be resolved by agreement between the people involved with no need for disciplinary action. Mediation allows those involved to be heard and to come up with mutually agreed solutions.
- 6.10 Mediation may occur either before or after an investigation of a complaint. If a complainant wishes to resolve the complaint with the help of a mediator, the MPIO/other designated person will, in consultation with the complainant, arrange for a neutral third party mediator where possible.
- 6.11 The complainant and the respondent involved in a formal complaint may also seek the assistance of a neutral third person or a mediator. Lawyers are able to negotiate on behalf of the complainant and/or respondent.
- 6.12 Our mediation procedure is outlined in Attachment D2 of this Policy.

Tribunals

- 6.13 A Tribunal may be convened to hear a formal complaint or alleged breach of this Policy:
- referred to it by the MPIO and/or CEO
 - referred to it or escalated by an Association because of the serious nature of the complaint or because it is unable to be resolved at the Association level
 - for an alleged breach of this Policy

- 6.14 Our Tribunal hearings procedure is outlined in Attachment D5 of this Policy.
- 6.15 A respondent may lodge one appeal only to the Appeals Tribunal in respect of a decision of a hearing Tribunal. The decision of the Appeal Tribunal is final and binding on those involved in the appeal.
- 6.16 Our appeals procedure is outlined in Attachment D5 of this Policy.
- 6.17 Every organisation bound by this Policy will recognise and enforce any decision of a Tribunal or Appeal Tribunal under this Policy.

 - make a complaint they knew to be untrue, vexatious, malicious or improper
 - fail to comply with a penalty imposed after a finding that the individual or organisation has breached this Policy
 - fail to comply with a direction given to the individual or organisation during the discipline process

8 Disciplinary measures

- 8.1 If an individual or organisation to which this Policy applies breaches this Policy, one or more forms of discipline may be imposed. presented and the seriousness of the breach, determined in accordance with our Constitution and this Policy and/or the rules of the sport.

- a recommendation to Softball Victoria that its membership of Softball Victoria be suspended or terminated in accordance with the relevant constitution or rules
- any other form of discipline that the national body or peak organisation considers to be reasonable and appropriate

Factors to consider

8.4 The form of discipline to be imposed on an individual or organisation will depend on factors such as:

- the nature and seriousness of the breach
- if the person knew or should have known that the behaviour was a breach
- the level of contrition
- the effect of the proposed disciplinary measures on the person including any personal, professional or financial consequences
- if there have been relevant prior warnings or disciplinary action
- ability to enforce discipline if the person is a parent or spectator (even if they are bound by the Policy)
- any other mitigating circumstances

9 Definitions

9.1 These definitions set out the meaning of words used in this Policy and its attachments without limiting the ordinary and natural meaning of the words.

9.2 State/territory specific definitions and more detail on some of the words listed below can be sourced from the relevant state/territory child protection commissions or equal opportunity and anti-discrimination commissions.

Harassment is any type of behaviour that the other person does not want and does not return and that is offensive, abusive, belittling or threatening. The behaviour is unwelcome and of a type that a reasonable person would recognise as being unwelcome and likely to cause the recipient to feel offended, humiliated or intimidated.

Unlawful harassment is sexual or targets a person because of their race, sex, pregnancy, marital status, sexual orientation or other characteristic. See the list of characteristics under **Discrimination**.

It does not matter whether the harassment was intended. The focus is on the impact of the behaviour. The basic rule is that if someone else finds it harassing then it could be harassment. Harassment may be a single incident or repeated. It may be explicit or implicit, verbal or non-verbal.

Under this Policy, discrimination and harassment are not permitted in the following situations:

- during employment (including volunteer and unpaid employment)
- when providing sporting goods and services including access to sporting facilities
- when providing education and accommodation
- selection or otherwise of any person for competition or a team (domestic or international)
- entry or otherwise of any player or other person to any competition
- obtaining or retaining membership of clubs and organisations (including the rights and privileges of membership)

Some exceptions to state and federal anti-discrimination law apply. Examples include:

- holding a competitive sporting activity for females only who are 12 years of age or over where strength, stamina or physique is relevant
- not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that sporting activity

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination or harassment may also be against the law.

It is also against discrimination law to victimise a person who is involved in making a complaint of discrimination or harassment eg a player is ostracised by her male coach for complaining about his sexist behaviour to another club official or for supporting another player who has made such a complaint.

Public acts of racial hatred which are reasonably likely in the circumstances to offend, insult, humiliate or intimidate are also prohibited. This applies to spectators, participants or any other person who engages in such an act in public. Some states and territories also prohibit public acts that vilify on other grounds such as homosexuality, gender identity, HIV/AIDS, religion and disability. See the definition of **Vilification**.

Part C – Screening/Working with Children Check Requirements

Background

- 1 Child protection is about keeping children safe from harm and abuse. Child abuse is illegal, and all states and territories have their own systems and laws that cover screening and/or the reporting and investigation of cases of child abuse.
- 2 Working with Children Check (WWCC) laws aim to prevent people who pose a risk from working with children as paid employees or volunteers.
- 3 In Victoria laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work in a paid or volunteer capacity with children. This is done by checking certain criminal history and other matters. In some states this also involves reviewing relevant findings from disciplinary proceedings. There are also requirements placed on organisations.
- 4 New requirements and amendments will be added to this Policy as they are introduced.
- 5 Please be aware that state and territory WWCC requirements may also apply to individuals who visit states with screening laws. For example, if a state association or club takes players U18 into New South Wales for training camps, competition or other activities, those travelling with the teams must comply with NSW law.
- 6 The state WWCC requirements apply regardless of our national, state, association or club Member Protection Policy.
- 7 The following attachments provide:
 - our Member Protection Declaration (for all states/territories except NSW who must complete a Prohibited Employment Declaration provided by the NSW Commission for Children and Young People (Attachment C2 – Member Protection Declaration)
 - summary information Victorian WWCC requirements and where to obtain more information and relevant forms (Attachment C3 – Working with Children Child Protection Requirements)

Attachment C1 – Screening Requirements

This attachment sets out the screening process for people in Softball Victoria who work, coach, supervise or have regular unsupervised contact with people under the age of 18 years. Softball Victoria and affiliated associations and clubs will:

- 1 Identify positions that involve working, coaching, supervising or regular unsupervised contact with people under the age of 18 years of age.
- 2 Obtain a completed Member Protection Declaration (MPD) (Attachment C2) from all people who are or seek to work in positions identified above.
- 3 Seek an explanation if a person does not provide MPD or if a MPD indicates they do not meet the requirements set out in the MPD. We will then assess whether the person may be unsuitable to work with people under the age of 18 years of age. If we are not satisfied with the explanation given they will not be appointed to the role/position.
- 4 Check a person's referees (verbal or written) about their suitability for the role.
- 5 Obtain consent for a national police check from all people who are or seek to work in positions identified above.
- 6 Request a national 'part exclusion' police check from the relevant police jurisdiction. This check excludes irrelevant records. If the police check indicates a relevant offence, the person will be given the opportunity to provide an explanation. We will then assess whether the person may be unsuitable to work with people under the age of 18 years of age. If we are not satisfied with any explanation given they will not be appointed to the role/position.
- 7 If a person does not agree to a national police check, we will then assess whether they may be unsuitable to work with people under the age of 18 years of age. If we are not satisfied with that assessment they will not be appointed to the position.
- 8 Once all checks are completed, decide whether to offer the person the position.
- 9 Where it is not practical to complete all checks prior to the person commencing in the position, appointment to the position will be conditional on the satisfactory outcome of all checks.
- 10 All information collected as a result of the checks will be treated as confidential and private and not used for any purpose other than screening those people seeking to work with people under the age of 18 years of age.
- 11 If a person is not appointed to a position, all information collected as a result of the checks will be returned to them on request or destroyed within 28 days of the date of the decision or any appeal period.
- 12 Information collected about persons appointed to a position will be kept on file in a secure location.

Attachment C2 – Member Protection Declaration

Softball Victoria has a duty of care to all those associated with the sport at the national level and to the individuals and organisations to whom our Member Protection Policy applies. Attachment C3 – Working with Children Child Protection Requirements

The following information was updated in April 2009. It is subject to change at any time.

Victoria

The Working with Children (WWC) Check creates a mandatory minimum checking standard across Victoria. The *Working with Children Act 2005* requires that some people who work or volunteer in child-related work require a WWC Check. The check involves a national police records check and a review of relevant findings from prescribed professional disciplinary bodies (currently only the Victorian Institute of Teaching). There is an exemption for volunteers whose own children are involved in the particular activity; however they should still be required to complete the screening process.

A person who has no criminal or professional disciplinary history will be granted an *assessment notice*. This notice will entitle the person to undertake child-related work in Victoria and is valid for five years (unless revoked). A person deemed unsuitable to work or volunteer with children will be given a *negative notice* and cannot work in child-related work in Victoria.

Part D – Complaint handling procedures

Attachment D1 – Complaints procedure

- 1 All complaints will be kept confidential and will not be disclosed to another person without the complainant's consent except if law requires disclosure or if disclosure is necessary to effectively deal with the complaint.
- 2 Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection or other relevant legislation.
- 3 If you wish to remain anonymous, Softball Victoria may have difficulty assisting you to resolve your complaint. Procedural fairness (natural justice) means that the Softball Victoria is required to provide the person/s you have complained about with full details of the complaint so they have a fair chance to respond.

Informal approaches

Step 1: Talk with the other person (where this is reasonable and appropriate)

- 4 In the first instance, you (the Complainant) should try to sort out the problem with the person or people involved (respondent) if you feel able to do so.

Step 2: Contact a Member Protection Information Officer (MPIO) (see Attachment E4 for a list of current Officers).

- 5 Talk with a MPIO if:
 - the first step is not possible/reasonable

- you are not sure how to handle the problem by yourself
- you want to talk confidentially about the problem with someone and obtain more information about what you can do
- the problem continues after you tried to approach the person or people involved

6 The MPIO will:

- take confidential notes about your complaint
- try to find out the facts of the problem
- ask what outcome/how you want the problem resolved and if you need support
- provide possible options for you to resolve the problem
- act as a support person if you so wish
- refer you to an appropriate person (eg a mediator) to help you resolve the problem
- inform the relevant government authorities and/or police if required by law to do so
- maintain confidentiality

Step 3: Outcomes from initial contact

7 After talking with the MPIO you may decide:

- there is no problem
- the problem is minor and you do not wish to take the matter further
- to try and work out your own resolution, with or without a support from the MPIO or other appropriate person
- to seek a mediated resolution with the help of a third person, such as a mediator
- to seek a formal approach.

Formal approaches

Step 4: Making a formal complaint

8 If your complaint is not resolved or informal approaches are not appropriate or possible, you may:

- make a formal complaint in writing to the CEO of Softball Victoria relevant association or club

- approach a relevant external agency, such as an anti-discrimination commission, for advice
- 9 On receiving a formal complaint and based on the material you have provided, the CEO will decide whether:
- they are the most appropriate person to receive and handle the complaint
 - the nature and seriousness of the complaint warrants a formal resolution procedure
 - to appoint a person to investigate the complaint
 - to refer the complaint to mediation
 - to refer the complaint to a hearings Tribunal
 - to refer the matter to the police or other appropriate authority
 - to implement any interim arrangements that will apply until the complaint process set out in these procedures is completed
- 10 In making the decision(s) outlined above, the CEO will take into account:
- whether they have had any personal involvement in the circumstances which means that someone else should handle the complaint
 - your wishes, and the wishes of the respondent, regarding the manner in which the complaint should be handled
 - the relationship between you and the respondent (for example an actual or perceived power imbalance between you and the respondent)
 - whether the facts of the complaint are in dispute, and
 - the urgency of the complaint, including the possibility that you will be subject to further unacceptable behaviour while the complaint process is underway
- 11 If the CEO is the appropriate person to handle the complaint they will, to the extent that these steps are necessary:
- put the information they've received from you to the person/s you are complaining about and ask them to provide their side of the story
 - decide if they have enough information to determine whether the matter alleged in your complaint did or didn't happen, and/or
 - Determine what, if any, further action to take. This action may include disciplinary action in accordance with this Policy

Step 5: Investigation of the complaint

- 12 A person appointed under Step 4 will conduct an investigation and provide a written report to the CEO who will determine what further action to take.
- 13 If the complaint is referred to mediation, it will be conducted in accordance with Attachment D2 or as otherwise agreed by you and the respondent and the mediation provider.
- 14 If the complaint is referred to a hearings Tribunal, the hearing will be conducted in accordance with Attachment D5.
- 15 If the complaint is referred to the police or other appropriate authority, Softball Victoria will use its best endeavours to provide all reasonable assistance required by the police or other authority.
- 16 Any costs relating to the complaint process set out in this Policy eg investigation and/or mediation and/or hearings Tribunal, are to be met by Softball Victoria or the relevant association or club, unless otherwise stated in the relevant Attachment.

Step 6: Reconsideration of initial investigation or appeal

- 17 If, under the formal complaint process, mediation is unsuccessful, you may request that the CEO reconsider the complaint in accordance with Step 4.
- 18 You or the respondent(s) may be entitled to appeal. The grounds and process for appeals under this Policy are set out in Attachment D5.

Step 7: Documenting the resolution

- 19 The CEO or person appointed by the CEO will document the complaint, the process and the outcome. This document will be stored in a confidential and secure place. If the complaint was dealt with at a state/district level, the information will be stored in the state association office. If the matter is of a serious nature, or if the matter was escalated to and/or dealt with at the national level, the original document will be stored at the national office with a copy stored at the state office.

External approaches

- 20 There are a range of other options available depending on the nature of your complaint. If you feel that you have been harassed or discriminated against, you can seek advice from your state or territory anti-discrimination commission without being obliged to make a formal complaint. If the commission advises you that the problem appears to be harassment within its jurisdiction, you may lodge a formal complaint with the commission.
- 21 Once a complaint is received by an anti-discrimination commission, it will investigate. If it appears that unlawful harassment or discrimination has occurred, the commission will conciliate the complaint confidentially. If this fails, or is inappropriate, the complaint may go to a formal hearing where a finding will be made. The Tribunal will decide upon what action, if any, will be taken. This could include financial compensation for such things as distress, loss of earnings or medical and counselling expenses incurred.

- 22 If you do lodge a complaint under anti-discrimination law, you may use an appropriate person eg an MPIO, as a support person throughout the process. It is also common to have a legal representative, particularly at the hearing stage of a complaint.
- 23 You could also approach another external agency such as the police.

Attachment D2 – Mediation

- 1 Mediation is a process during which people in conflict are helped to communicate with each other to identify the areas of dispute and to make decisions about resolving it. This attachment outlines the general procedure of mediation that will be followed by Softball Victoria.
 - 1.1 If mediation is chosen, the MPIO or other designated person will, under the direction of Softball Victoria and in consultation with the complainant and the respondent(s), arrange for a mediator.
 - 1.2 The mediator's role is to assist the complainant and respondent(s) reach an agreement on how to resolve the problem. The mediator, in consultation with the complainant and respondent(s), will choose the procedures to be followed during the mediation. At a minimum, an agenda of issues for discussion will be prepared by the mediator.
 - 1.3 The mediation will be conducted confidentially and without prejudice to the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
 - 1.4 At the end of a successful mediation the mediator will prepare a document that sets out the agreement reached which will be signed by them as their agreement.
 - 1.5 If the complaint is not resolved by mediation, the complainant may:
 - write to the CEO to request that they reconsider the complaint in accordance with Step 4
 - approach an external agency such as an anti-discrimination commission
- 2 Mediation will **not** be recommended if:
 - the respondent has a completely different version of the events and will not deviate from these
 - the complainant or respondent are unwilling to attempt mediation
 - due to the nature of the complaint, the relationship between the complainant and the respondent(s) or any other relevant factors, the complaint is not suitable for mediation
 - the matter involves proven serious allegations, regardless of the wishes of the complainant

Attachment D3 – Investigation process

- 1 If an investigation needs to be conducted to gather more information the following steps will be followed:
 - 1.1 Softball Victoria will provide a written brief to the investigator clarifying terms of engagement and roles and responsibilities. The investigator will:
 - interview the complainant and record the interview in writing
 - convey full details of the complaint to the respondent(s) so that they can respond
 - interview the respondent to allow them to answer the complaint, and record the interview in writing
 - obtain statements from witnesses and other relevant evidence to assist in a determination, if there is a dispute over the facts
 - make a finding as to whether the complaint is:
 - substantiated (there is sufficient evidence to support the complaint)
 - inconclusive (there is insufficient evidence either way)
 - unsubstantiated (there is sufficient evidence to show that the complaint is unfounded), and/or
 - mischievous, vexatious or knowingly untrue
 - provide a report to the CEO documenting the complaint, investigation process, evidence, finding and, if requested, recommendations
- 2 We will provide a report to the complainant and the respondent documenting the complaint, the investigation process and summarising key points that are substantiated, inconclusive, unsubstantiated and/or mischievous.
- 3 The complainant and the respondent will be entitled to support throughout this process from their chosen support person eg MPIO or other person.
- 4 The complainant and the respondent may have the right to appeal against any decision based on the investigation. Information on our appeals process is in Attachment D5.

Attachment D4 – Procedure for handling allegations of child abuse

- 1 An allegation of child abuse is a very serious matter and must be handled with a high degree of sensitivity. It is not the responsibility of anyone working in Softball Victoria in a paid or unpaid capacity to decide whether or not child abuse has taken place. However, there is a responsibility to act by reporting the matter to the appropriate authorities. The following outlines the key steps to follow. More information can be obtained from state or territory government agencies.

Step 1 – Initial receipt of an allegation

- 2 If a child or young person discloses an allegation involving harm or abuse to them or another child, then it is crucial that you:
 - stay calm
 - listen, be supportive and do not dispute what the child says
 - reassure the child that what has occurred is not the fault of the child
 - be honest with the child and explain that other people may need to be told in order to stop what is happening
 - ensure you are clear about what the child has said but do not elicit detailed information, ask leading questions or offer an opinion
 - act promptly to accurately record the discussion in writing
 - do not discuss the details with any person other than those detailed in these procedures
 - do not contact the alleged offender

Step 2 – Report allegations

- 3 Immediately report any allegation or disclosure of child abuse or situation involving a child at risk of harm, to the police and/or government child protection agency. You may need to report to both.
- 4 Contact the relevant child protection agency or police for advice if there is any doubt about whether the complaint should be reported eg the allegation may relate to poor/inappropriate practice.
- 5 If the child's parent/s is suspected of committing the abuse, you should report the allegation to the relevant government agency.
- 6 If the allegation involves anyone to whom our policy applies, then also report the allegation to the CEO of Softball Victoria so that they can manage the situation. They will contact the parents following advice from the authorities, deal with any media enquiries and manage Steps 3 and 4.

Step 3 – Protect the child and manage the situation

- 7 The CEO will assess the risks and take interim action to ensure the child's safety. Action Softball Victoria may implement includes redeployment of the respondent to a non-child related position, supervision of the respondent or removal/suspension from their duties until the allegations are finally determined.
- 8 It is not the MPIO's role to undertake action such as redeploying someone and seeing legal advice if the respondent is a paid employee.
- 9 The CEO will consider the kind of support that the child and parents may need eg counselling.
- 10 The CEO will also address the support needs of the alleged offender.
- 11 The CEO will also put in place measures to protect the child and the alleged offender from victimisation and gossip.
- 12 If the respondent is stood down, it should be made clear to any persons aware of the incident that this does not mean the respondent is guilty and a proper investigation will be undertaken.

Step 4 – Internal action

- 13 Where there is an allegation made against a person to whom this Policy applies, there may be three types of investigations:
 - criminal, conducted by police
 - child protection, conducted by child protection authority
 - disciplinary or misconduct, conducted by Softball Australia
- 14 Irrespective of the findings of the child protection and/or police inquiries, Softball Victoria will assess the allegation to decide whether the respondent should be reinstated, banned, have their employment or position terminated or any other action.
- 15 The decision will be made by the CEO of Softball Victoria, taking into account all available information, including the findings of the police, government agency and/or court. This may be a difficult decision particularly where there is insufficient evidence to uphold any action by the police.
- 16 If disciplinary action is to be taken, the procedures outlined in clause 8 of this Policy will be followed.
- 17 If disciplinary action is taken, Softball Victoria will advise and provide a report to the relevant government authority should this be required.

Attachment D5 – Hearings & Appeals Tribunal procedure

- 1 The process outlined below will be followed by Hearings and Appeals Tribunals established by Softball Victoria to hear member protection complaints.

Preparation for Tribunal Hearing

- 2 A Tribunal panel will be constituted following the rules outlined in Softball Victoria Constitution, to hear a complaint that has been referred to it by the Softball Victoria Board. The number of Tribunal members required to be present throughout the hearing will be determined by the Softball Victoria Board. It is preferable that the Tribunal include at least one person with knowledge or experience of the relevant laws/rules.
- 3 The Tribunal members will be provided with a copy of all the relevant correspondence, reports or information received and sent by the CEO relating to the complaint.
- 4 The Tribunal will be scheduled as soon as practicable, but must allow adequate time for the respondent to prepare their case for the hearing.
- 5 The Tribunal will not include any person who has any actual or perceived conflict of interest or bias regarding the matter.
- 6 The CEO will inform the respondent in writing that a Tribunal hearing will take place. The notice will outline:
 - that the person has a right to appear at the Tribunal hearing to defend the complaint/allegation
 - details of the complaint, and details of all allegations and the clause of any policy or rule allegedly breached
 - the date, time and venue of the Tribunal hearing
 - that they can make either verbal or written submissions to the Tribunal
 - that they may arrange for witnesses to attend the Tribunal in support of their position (statutory declarations of witnesses not available or from character witnesses may also be provided to the Tribunal)
 - an outline of any possible penalties that may be imposed if the complaint is found to be true, and
 - that legal representation will not be allowed. If the respondent is a minor, they should have a parent or guardian present
- 7 A copy of any information that has been given to the Tribunal, including investigation report findings, will also be provided to the respondent.
- 8 In accordance with clause 7.2.3 of the Softball Victoria Constitution, the respondent may not be allowed to participate in Softball Australia activities and events, pending the determination of the investigatory or disciplinary proceedings, unless the Directors decide continued participation is appropriate having regard to the matter at hand.

- 9 The CEO will notify the complainant in writing that a Tribunal hearing will take place. The notice will outline:
- that the person has a right to appear at the Tribunal hearing to support their complaint
 - details of the complaint, including any relevant rules or Policies the respondent is accused of breaching
 - the date, time and venue of the Tribunal hearing
 - that they can make either verbal or written submissions to the Tribunal
 - that they may arrange for witnesses to attend the Tribunal in support of their position (or provide statutory declarations from witnesses unable to attend), and
 - that legal representation will not be allowed. If the respondent is a minor, they should have a parent or guardian present
- 10 A copy any information that has been given to the Tribunal, including investigation report findings, will also be provided to the complainant.
- 11 If the complainant believes the details of the complaint are incorrect or insufficient they should inform the CEO as soon as possible so that the respondent and the Tribunal Panel members can be properly informed of the complaint.

Tribunal Hearing procedure

- 12 The following people will be allowed to attend the Tribunal Hearing:
- the Tribunal members
 - the respondent(s)
 - the complainant
 - any witnesses called by the respondent
 - any witnesses called by the complainant
 - any parent/guardian or support person required to support the respondent or the complainant
- 13 If the respondent(s) is not present at the set hearing time and the Tribunal Chairperson considers that no valid reason has been presented for their absence, the Tribunal Hearing will continue subject to the Tribunal Chairperson being satisfied that all Tribunal notification requirements have been met.
- 14 If the Tribunal Chairperson considers that a valid reason for the non-attendance of the respondent(s) has been presented, or the Tribunal Chairperson does not believe the Tribunal notification requirements have been met, then the Tribunal will be rescheduled to a later date.

- 15 The Tribunal Chairperson will inform the CEO of the need to reschedule, and the CEO will organize for the Tribunal to be reconvened.
- 16 The Tribunal Chairperson will read out the complaint, ask the respondent(s) if they understand the complaint and if they agree or disagree with the complaint.
- 17 If the respondent agrees with the complaint, he or she will be asked to provide any evidence or witnesses that should be considered by the Tribunal when determining any disciplinary measures.
- 18 If the respondent disagrees with the complaint, the complainant will be asked to describe the circumstances that lead to the complaint being made.
- reference may be made to brief notes
 - the complainant may call witnesses
 - the respondent(s) may question the complainant and witnesses
- 19 The respondent(s) will then be asked to respond to the complaint.
- reference may be made to brief notes.
 - the respondent may call witnesses
 - the complainant may ask questions of the respondent and witnesses
- 20 Both the complainant and respondent may be present when evidence is presented to the Tribunal. Witnesses may be asked to wait outside the hearing until required.
- 21 The Tribunal may:
- consider any evidence, and in any form, that it deems relevant
 - question any person giving evidence
 - limit the number of witnesses presented to those who provide any new evidence
 - require the attendance of any witness it deems relevant
 - act in an inquisitorial manner in order to establish the truth of the issue/case before it
- 22 Video evidence, if available, may be presented. The arrangements must be made entirely by the person/s wishing to offer this type of evidence.
- 23 If the Tribunal considers that at any time during the Tribunal Hearing that there is any unreasonable or intimidatory behaviour from anyone the Chairperson may stop further involvement of the person in the hearing.
- 24 After all of the evidence has been presented the Tribunal will make its decision in private. The Tribunal must decide whether the complaint has been substantiated on the balance of probabilities (ie more probable than not). As the seriousness of the

allegation increases, so too must the level of satisfaction of the Tribunal that the complaint has been substantiated. The respondent will be given an opportunity to address the Tribunal on disciplinary measures which might be imposed. Disciplinary measures imposed must be reasonable in the circumstances.

25 All Tribunal decisions will be by majority vote.

26 The Tribunal Chairperson will announce the decision in the presence of all those involved in the hearing and will declare the hearing closed, or may advise those present that the decision is reserved and will be handed down in written form.

27 Within 48 hours, the Tribunal Chairperson will:

- forward to the Softball Victoria CEO a copy of the Tribunal decision including any disciplinary measures imposed
- forward a letter to the respondent(s) reconfirming the Tribunal decision and any disciplinary measures imposed. The letter should also outline, if allowed, the process and grounds for an appeal. Where the matter is of unusual complexity or importance, the Tribunal Chairperson may inform the parties in writing within 48 hours that the decision will be delayed for a further 48 hours

28 The Tribunal is not required to provide written reasons for its decision

Appeals procedure

29 A complainant or a respondent(s) who is not satisfied with the decision of a MPIO, the outcome of mediation or a Tribunal decision can lodge one appeal to Softball Victoria on one or more of the following bases:

- that a denial of natural justice has occurred
- that the disciplinary measure(s) imposed is unjust and/or unreasonable
- that the decision was not supported by the information/evidence provided to the MPIO/Mediator/Tribunal

30 A person wanting to appeal in accordance with clause 29 must lodge a letter setting out the basis for their appeal with the CEO within 30 days of the relevant decision

31 An appeal fee of \$120.00 shall be included with the letter of intention to appeal.

32 If the letter of appeal and/or the appeal fee is not received by the CEO within the proscribed time period the right of appeal lapses.

33 The letter of appeal and copy of the Tribunal decision report will be forwarded to the Board to review and decide whether there are sufficient grounds for the appeal to proceed. The Board may invite any witnesses to the meeting they believe are required to make an informed decision.

34 If the appellant has not shown sufficient grounds for appeal in accordance with clause 29, then the appeal will be rejected. The appellant will be notified with reasons by the CEO and the appeal fee will be forfeited.

- 35 If the appeal is accepted an Appeal Tribunal with a new panel will be convened to rehear the complaint and the appeal fee will be refunded.
