## Expectations of State Team Representatives

Being given the opportunity to represent your State in any event is a unique opportunity that is experienced by very few people. It is something that you can carry with you for the rest of your life and as such it should be valued and respected.

When considering whether you should make yourself available for selection into a State team there are a number of expectations you need to be aware of, and be prepared to meet.

These include:

- Athletes must take part in State Championships, and any additional designated trial events.
- Committing yourself fully to the process, this means attending training, training with a positive attitude that is focused on improving yourself and those around you, both players and coaches.
- Attend training in the right uniform and to arrive in a punctual manner. If you are going to be late, or are unable to attend a session, you should notify your coach well before the scheduled session start time.
- Training is likely to consist of two to three on diamond sessions a week, and may also involve additional individual or team sessions, practice matches and tournaments over a period of 4-6 months in the lead up to the tournament.
- National Tournaments are held in January and you will be required to spend approximately one week away with the team.
- Levies for National Tournaments can vary from \$2,000 - \$3,000 depending on location, flights, accommodation and the pre- and tournament budgets. Payment of which will be required prior to the tournament.
- In addition to the levies athletes will be expected to purchase and wear the appropriate State Team uniform.
- Comply with the Softball Victoria Code of Conduct at all times.

### Athlete Declaration:

I have read and understand the requirements of trialling for and being part of a Softball Victoria State Team and agreed to abide by all of the expectations. I understand that a failure to do so may see me excluded from the team and may result in a forfeiture of any monies paid in relation to that team.
